Designing and governing agents at school: review

AI agents · Level 4 · Unit check

In this unit

- Design an agent for a school job
- Permissions and approval, in code
- Evaluate before you trust
- A school policy for agents

The big ideas

- Design from the job: the fewest tools, clear roles
- Permissions and approval checked in code, with a log
- Test sets, honest scores, every failure read
- A policy: people stay responsible

Team quiz

1. Make teams of four
2. Read each question aloud; teams agree on one answer
3. Reveal the answer and ask one team to explain why
4. Write the hardest question on the board for tomorrow

Let’s discuss

1. Which idea will you use first at our school?
2. Which question surprised you, and why?
3. What would you tell the head teacher about agents now?

Exit ticket

- One rule for agents at our school, and who will check it
