Data detectives: review

Data science · Level 1 · Unit check

In this unit

- The data science loop
- Middles and spread
- Charts that fit and tell the truth
- Careful claims and private pupils

The big ideas

- Ask a measurable question first
- Give a middle with a spread
- Bars start at zero
- Share the class, not the child

Revise in pairs

1. Pairs (2 min): Find a partner.
2. Quiz (15 min): Answer together.
3. Check (8 min): Compare with the answers.

Let’s discuss

1. Which idea from this unit will you use first?
2. Which school record will you explore with your class?
3. What will you change about sharing results?

Exit ticket

- One habit I will use this week, and where.
