Smart but not always right: review

AI security · Primary school · Unit check

In this unit

- AI makes guesses
- Wrong examples, wrong answers
- Keep your secrets
- Real or fake?

The big ideas

- AI learns from examples and guesses: sure isn't always right
- Wrong examples teach wrong answers
- Your secrets stay with you
- Stop, think, ask; never fake a real person

Activity: Team quiz

1. Make teams of three or four
2. Read each question aloud; your team agrees on one answer
3. Check the answer and say why
4. Write the hardest question on a card for tomorrow

Let’s discuss

1. Which habit from this unit will you use most?
2. What surprised you most about AI?
3. How would you explain “stop, think, ask” to a younger child?

Check yourself

- My most useful habit from this unit, and when I'll use it.
