Spot the scam

Cyber security · Level 1 · Lesson 2

In this lesson you will

- Name the five warning signs of a scam.
- Recognise scams aimed at young people.
- Stop and check another way before you click, pay or share.
- Report, block and tell a trusted adult.

Five warning signs

- Too good to be true
- A hurry
- Asks for a code, password or money
- A link you didn’t expect
- A sender who doesn’t match

Scam or safe? cards

1. Write (6 min): four short messages
2. Swap (3 min): with a partner
3. Judge (4 min): scam or safe, and why
4. Share (2 min): the trickiest one

Never use real phone numbers, names or links on your cards.

Think about it

1. Why do scammers use games and prizes?
2. Why is a hurry a warning sign?
3. Who could you ask before you pay online?

Before you go

- One warning sign, and what I would do if I saw it.
