Lesson 3 · Lock down your phone

Phone check-up

Six habits that keep a phone safe

Name _____
Class _____
Date _____

Work with a partner. Read each item and decide.

1 Pick the fix

Draw a line from each problem to the habit that fixes it.

1 My lock code is 1234 ○	○ Check app permissions
2 I keep tapping “later” ○	○ Turn on find my device
3 A game wants my messages ○	○ Use a strong screen lock
4 I lost my phone ○	○ Install updates

2 True or false?

Circle T for true or F for false.

	True	False
a A lock code of 1234 is hard to guess.	☐	☐
b Many updates fix security holes.	☐	☐
c Apps sent in a chat are as safe as store apps.	☐	☐
d A torch app needs to read your messages.	☐	☐
e A backup keeps your photos safe if the phone is lost.	☐	☐

3 Finish the sentence

Use words from the box.

Word box: **updates** **store** **back up** **share**

Lock your phone, install _____, get apps from the official _____ and _____ your photos and contacts.

Challenge

Your aunt’s phone has no lock, and she installs apps people send her in chats. Write two kind tips you could give her.

_____

_____
