Agents for teachers' work, checked and approved: review

AI agents · Level 2 · Unit check

In this unit

- A task in steps
- Ask clearly
- Check its work
- Pupils’ data, cost and the right agent

The big ideas

- Plan the steps, and the checks after each one
- A clear request: goal, details, limits, done
- Check every call before it runs; a person gives the final yes
- Share the task, not the child; choose by job, data and cost

Team quiz

1. Make teams of four
2. Read each question aloud; teams agree on one answer
3. Reveal the answer and ask one team to explain why
4. Write the hardest question on the board for tomorrow

Let’s discuss

1. Which habit will you use first?
2. Which question surprised you, and why?
3. Which school job would you never hand to an agent?
