- Jailbreaks and guardrails

Activity: Activity: Spot the trick

1. Warm-up (3 min): Recall one habit from each lesson.
2. Make (7 min): Write four made-up tricks: a fake, a scam, a hidden order, a jailbreak.
3. Swap (7 min): Another pair names each trick and the habit that beats it.
4. Share (3 min): Which trick was hardest to spot?

Use only made-up posts, messages and names. Never copy a real fake into your examples.
