Data about you

Data engineering · Level 1 · Lesson 4

In this lesson you will

- Name data about you.
- Decide what’s fine to share, what needs care and what stays private.
- Ask a trusted adult before giving your details.

Key ideas

- Data about you belongs to you.
- Fine, care or private.
- Small facts add up.

Fine, care or private

1. List (3 min): facts about a made-up child
2. Sort (5 min): three boxes on the board
3. Add up (4 min): what could a stranger find?
4. Practise (3 min): stop and ask

Use a made-up child only. Never ask pupils to share their own address or phone number in class.

Let's discuss

1. Which facts about you are private?
2. How can small facts add up?
3. Who is a trusted adult you could ask?

Exit ticket

- Name one fact that’s fine to share, one that needs care and one that stays private.
