A connected world: review

IoT · Level 4 · Unit check

In this course

- How things talk
- Pass it on: mesh networks
- Keep connected things safe
- Your connected project

The big ideas

- Every radio trades range, power and data
- A mesh passes messages on and heals itself
- Simple habits stop most attacks on devices
- Design with the people it's for, and fail safe

Quiz yourself

1. Answer each question on paper first, without looking back
2. Check your answers and read every explanation
3. Redo the lab from the lesson you found hardest
4. Explain one big idea to a friend or someone at home

Let’s discuss

1. Which idea surprised you most, and why?
2. Where will you notice this at home or in town this week?
3. What would you like to build or try next?

Check yourself

- One thing I can now explain, and one thing I want to try
