Teaching networks and sequences

University

The check

- A forward step and a descent step by hand
- The smallest design for each job
- What the Eight notes lab did not prove

How to sit it

- No notes
- Explain the why

Work it

1. Alone (15 min): Answer all ten.
2. By hand (10 min): Redo the two steps.
3. Read (10 min): Every explanation.
4. Plan (5 min): The idea to redo.

Look back

1. Which lesson was the miss?

Exit ticket

- Name the idea you will redo.
