3. Project submission

Final stage: hand in evidence

You will

- Paste your GitHub repo URL
- Upload darsi-check.json
- Explain in your own words
- Human Approves after checks

Do this

1. Paste your GitHub repo URL
2. Upload darsi-check.json
3. Explain in your own words
4. Human Approves after checks

Check yourself

1. Can I explain why this stage exists?
2. What do I open next?

Before you go

- One sentence: what this stage asked me to understand or do.
