1. Project description

Why, what, hours, starter link

You will

- Know why this capstone exists
- Plan about 15 hours across milestones
- Open the starter template link when ready
- Next: Starter setup with screenshots

Do this

1. Know why this capstone exists
2. Plan about 15 hours across milestones
3. Open the starter template link when ready
4. Next: Starter setup with screenshots

Check yourself

1. Can I explain why this stage exists?
2. What do I open next?

Before you go

- One sentence: what this stage asked me to understand or do.
